Project 1

Below, I have attached a screenshot of my output from running *forktest.c*.

```
[lydiamyla@mac p1 % gcc forktest.c -o forktest
[lydiamyla@mac p1 % ./forktest
Parent: Process started
Parent: Forking a child.
Parent: Wait for child to complete.
Child: Process started.
Child: Start 10 second idle: 10  9  8  7  6  5  4  3  2  1  0 done!
Child: Terminating.
Parent: Terminating.
lydiamyla@mac p1 %
```
